

BUXI JAGABANDHU ENGLISH MEDIUM SCHOOL-II: SATYABHAMAPUR
NO.BJEMS/ 364 /2020. DT.20.07.2020

Dear Parents / Guardians,

Greetings of the day!

Kindly refer to our earlier Notice No.BJEMS-II/275/2020 dtd.10.04.2020 regarding deferment of collection of hiked school fees for the first four months, in accordance with the appeal of the Hon'ble Chief Minister of Odisha, I am further pleased to inform you that the School Managing Committee has decided to defer the implementation of the hiked school fee structure proposed for the session 2020-2021 till 31st March, 2021 considering the hardship caused due to the COVID -19 pandemic and also the request made by many of the parents. The School Fees which was in force during the previous Session 2019-20 in the respective class (to which your ward has been promoted to) shall continue till the end of the current session (i.e. Session 2020-21).

The fine period for default payment is extended from 31st July to 31st August, 2020. However, thereafter fine will be charged as per the normal practice mentioned in the School Diary from 1st September, 2020. Parents are therefore requested to co-operate and clear their dues by 31st August, 2020, positively to avoid any fine.

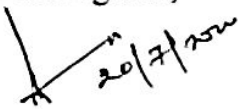

Parents who have already paid the school fees @ hiked rate, their excess amount shall be adjusted subsequently.

This decision is taken to give some relief to parents during this difficult time and to overcome the prevailing financial crisis to a certain extent.

Stay Safe. Stay Healthy. Stay Connected.

Thanking you,

With regards,

PRINCIPAL
